To achieve beatbox greatness, one must know thy self in all totality. Cycling harmonious energy from within and pushing creativity to newer heights. Coming to a self realization, ultimately unleashing pure and virtuous beats from their awakened soul - MIND, BODY & SOUND.

We invite you to join us for the 2013 Canadian Beatbox Championships. An event that explores the full capabilities of the human voice as an instrument, a sound, a language. 16 of Canada's best vocal percussionists will battle it out, in a head to head style tournament, where new Beatbox blood will be shed and new battles will be won. At the end of the night, somebody will claim their crown as The 2013 Canadian Beatbox Champion.
