All Dolled Up

## Our Story

All Dolled Up founders Priscilla and Melissa have a combined 20 years in the beauty industry and have been best friends for just as long. The dazzling duo left successful careers (Priscilla owned a busy downtown Toronto hair salon, Melissa was a popular make-up artist and educator) and combined their talents to launch All Dolled Up.

This unique business was born when Melissa came to Priscilla's rescue at the eleventh hour. She was styling a large wedding party at her salon when the original makeup artist cancelled.

The magical moment the girls began collaborating, their chemistry instantly shone through. Working with
